FOR FIVE-

OLDS WERE
PERIODICALLY
CLOSED.

AT THE
HIGH SCHOOL,
BARBERS,

WHAT...?

WHAT DO
YOU WANT
TO DO,
JEREMY?

The Aikari family
has a front and
back face.

NO.
KANAYO.

The back is "the watcher",
and has the role of cutting
chains of attachment
together with his companion.

The front serves
the temple's home,
fulfilling the role of
wise and protecting it.

So tilting the
post of front
and back of the
corner first was
that hard, huh?
